I apply for an English Pool Association ID Card and agree to abide by the Rules and Constitution of the Association. I have been made aware of and given access to the EPA Privacy Notice (also available on the EPA Website www.epa.org.uk).

I understand EPA will not share my data with any third party other than any specifically approved by me or which they have a legal obligation to, eg Government, Law Enforcement etc (see Privacy Notice).

I understand that should I play in or administer a pool event organised in direct competition with the English Pool Association (EPA), then this registration may be suspended. Events that EPA recognises as in direct competition to the WEPF, EEPF and EPA rules are any events above local league level; specifically, 'Inter-league', 'Inter-county' and 'International' events. Playing in or administering these levels of events whilst a current valid EPA registered ID cardholder, will result in disciplinary action by the EPA, which may result in suspension of EPA registration. I understand EPA ID Card holders cannot play on the IPA Tour and if they do, will face suspension.
